

## THESE RUTLAND AREA FARMS OFFER CSA SHARES

### **Boardman Hill Farm**

399 West Street, Rutland • 802-438-9803

Bedding plants, vegetable starts and hanging baskets in spring, organically grown fruits and vegetables from our farm in the summer and our own pork, chickens and turkey throughout the year. Cut-your-own flower bouquets from our garden beds. Also available are our own jams, jellies, salsas and preserves. In addition to our own farm products, Vermont cheeses and other products, christmas trees, wreaths and garlands available in season. 7 days a week, 9am - 6pm.

### **Cerridwen Farm**

Green Mountain College, Poultney • 802-287-8277

[www.greenmtn.edu/farm\\_food](http://www.greenmtn.edu/farm_food)

We educate students and the greater community about ecological design in agricultural systems. We sell to our CSA members, at the Poultney Farmers' Market and to Chartwells Dining Service at GMC. Students also manage a variety of livestock, including our oxen, Bill and Lou.

### **Champlain Orchards**

3955 Rte 74 W, Shoreham • 802-897-2777

[www.champlainorchards.com](http://www.champlainorchards.com)

At Champlain Orchards you can enjoy the views of Lake Champlain over a picnic while picking your own apples, raspberries and more. You can also visit our Farm Market for apples, apple butter, cider, local products, fresh baked apple pies made from scratch in our bakery, organic vegetables and more.

### **Dutchess Farm**

87 North Rd, Castleton • 802-468-5893

We have been growing fresh vegetables since 1986. We market our very diverse, fresh and nutritious produce primarily through our CSA share program and the Rutland Farmers' Market. We have always relied only on organic inputs and sustainable practices such as cover cropping to maintain soil and plant health.

### **Kilpatrick Family Farm**

9778 South Rte. 22, Middle Granville, NY

518-744-5448

[www.kilpatrickfamilyfarm.com](http://www.kilpatrickfamilyfarm.com)

One of the area's first year round farms selling in Rutland, VT, Glens Falls and Saratoga, NY regions. We produce a full assortment of vegetables in the summer and greens and root crops all winter long. Check out our website for recipes, info on our CSA and farmer market locations.

### **Merk Forest & Farmland Center**

3270 Rte 315, Rupert • 802-394-7836

[www.merkforest.org](http://www.merkforest.org)

The purpose of our farm is to demonstrate innovative, sustainable approaches to agriculture. We raise livestock for meat, eggs, and wool. All of our meat is pasture-raised and hormone-free. We also produce organic maple syrup and grow organic garlic, potatoes and other vegetables. Our products can be purchased in our Visitor Center, through our Community

Supported Agriculture program and at summer farmers' markets in Dorset and Manchester Vermont.

### **Popoma Farm**

202 West Rd, Whiting • 802-623-6411

Our diversified family farm grows vegetables, flowers, herbs, and quality horse and livestock hay using sustainable and organic methods. We also make Popoma Farm "Bug Stuff" herbal insect repellent and Popoma Farm dried "Salad Herbs". We sell at the farm (please call ahead) and at the Middlebury Farmers' Market, and offer CSA shares for vegetables and herbs, eggs, chicken, turkey and pork - call or email, [popoma2@juno.com](mailto:popoma2@juno.com) for details.

### **Singing Cedars Farmstead**

30 Black Snake Ln, Orwell • 802-948-2062

[www.singingcedarsfarmstead.com](http://www.singingcedarsfarmstead.com)

We are a certified organic diversified farm producing high quality, mineral rich vegetables and meats (poultry, beef and pork). We sell to farmers' markets, Co-ops, restaurants and a delivery CSA. Call for CSA information or to visit the farm.

### **Smokey House Center**

426 Danby Mountain Rd, Danby • 802-293-5121

[www.smokeyhouse.org](http://www.smokeyhouse.org)

We are a 5,000 acre, year-round classroom, where local at-risk teens and other youth learn academic, social and work-place skills through hands-on farming, forestry and ecological research. The youth crews produce organic vegetables and berries, pork, beef, lamb, poultry, maple syrup, Christmas trees, natural hardwood charcoal and hay! Farm stand open Monday to Friday 8 to 5 pm. We offer CSA shares, call for details.

### **Sunrise Hill Organic Farm**

121 Hillside Rd, East Poultney • 802-287-4290

We are a Community Supported Agriculture Farm. We grow a wide variety of naturally organic fruits and vegetables. We also bake all natural, organic pies and bread. Come see us at the Poultney Farmers' Market or contact us at the farm or by email, [chbushee@comcast.net](mailto:chbushee@comcast.net).

### **Wood's Market Garden**

Route 7 South, 1 mile south of Brandon Village, Brandon • 802-247-6630

[www.woodsmarketgarden.com](http://www.woodsmarketgarden.com)

Our farm grows vegetables and fruits on 60 acres of organically managed soils. A market garden for over 100 years, most people know us from stopping at our Route 7 Farmstand. We open in May for plant sales, and in early June we begin offering our farm fresh produce. We now offer summer CSA shares, and fall/winter CSA shares.
